14 Origin of the appointment. In his letter No.640, dated 26th November 1913, the Secretary to Government, Public Works Department, requested the Senior Surgeon to post immediately a Sub Assistant Surgeon of the last grade to the Sivasamudram Dispensary, where additional medical help was required for the labor employed on the IV Installation Works then in progress. The requisition was complied with and sanction of Government was applied for and obtained (Vide G.O.No.6708-9-Med.99-13-2, dated 7th January 1914) for the entertainment of a temporary hand in the Department against the hand posted to Sivasamudram. This G. O. must therefore be taken to permit the addition of a temporary hand to the cadre of Sub Assistant Surgeons, the period remaining undefined.

15 As the circumstances of the employment of the extra hand indicated that it should terminate on the completion of the IV Installation Works, a reference was made to the Chief Electrical Engineer regarding the withdrawal of the Sub Assistant Surgeon. That officer stated that the development of the C. P. Works required the strengthening of the Dispensary establishment by a Sub Assistant Surgeon and that he had already moved in the matter of obtaining sanction for the permanent retention of a Sub Assistant Surgeon in the Dispensary. Accordingly, in the reorganisation of the Electrical Department, sanctioned in G.O.No.1009-11, C.P.S., dated 17th November 1917, a Sub Assistant Surgeon on a pay of Rs.60 and a local allowance of Rs.15 was sanctioned. The post of Sub Assistant Surgeon has been retained in the scale of establishment of the Electrical Department as further revised by G. O. No.E.D.S.98-9-39E, dated 22nd August 1921, on Rs.70/-

16 Mr. Baboo Rao now fills one of the six temporary appointments sanctioned for the Sub Assistant Surgeons' Cadre. (Vide Gradation List corrected up to 31-12-1922, pages 6-7 and 15). The recommendation for continuance of the services of the Sub

Assistant Surgeon having been made to Government, an application for a further extension of his services was considered superfluous, as the former proposal amounts to an extension of his services.

17 As regards the point that the Electrical Department ought to move in the matter, if it is their wish, to entertain the hand in their department, I may say that even my present recommendation has been made at the instance of the Chief Electrical Engineer, a copy of whose letter 12974 dated 26th June 1923 has been enclosed with my letter under disposal. Although the pay of the Sub Assistant Surgeon is entirely met from the Electrical Budget, yet, the medical establishment of that department has all along been placed under the disciplinary control of this Department, just as the Medical Establishment attached to the Military and the Jails Departments which are paid by the respective departments. Services in the Military and Jail Departments are permanent and substantive and so, hands from the permanent cadre of the Medical Department are posted to the Hospitals of these departments. The Electrical Department service being considered temporary, it was proposed to retain in the Sivasamudram Dispensary, a Sub Assistant Surgeon whose entertainment has been sanctioned as a temporary measure and who, for reasons fully set forth in my letter under disposal, deserves to have his services continued.

18 If it is objectionable to order the continuance of his services on a temporary basis without fixing a period, they may be ordered to be extended for five or ten years or such other period, asthe Government may think best. It will always be open to Government to terminate his services whenever he should prove inefficient (even though he were made permanent) On any other ground it will be hard to turn out a hand who has put in more than 4 years' approved service when fresh men have subsequently been permanently entertained. None of our stipended students is likely to go without employment on account

account of the continuance of Mr. Babu Rao's services.

The Secretary to Government

SIR,

With reference to Government Order No. L.7014 Med. dated, 1st June 1923, I have the honour to forward herewith a copy of letter No. 12974, dated 26th June 1923 from the Chief Electrical Engineer on the subject and to state as follows:

The present proposal of the Chief Electrical Engineer amounts to a continuance of the services of Mr.Babu Rao, temporary Sub Assistant Surgeon, on the establishment of the Cauvery Power Scheme Dispensary, as long as he is superannuated or otherwise disqualified for service, under the rules applicable to the employees of the Electrical Department, viz., temporary or non-pensionable service and is not inconsistent with the orders of Government. The proposal, if sanctioned, will obviate the necessity of entertaining a hand in the permanent pensionable strength of the sanctioned cadre against the place intended for this institution and will result in a saving of pension charges, as long as this arrangement continues.

In this connection I may add that Mr. Babu Rao entered service in August 1919, at a time when the department was badly in need of qualified [illegible] and [illegible]

the four years he has been rendering hard and approved, though temporary, service, candidates other than State Scholars have been entertained in the service to fill up permanent vacancies in the Department as per Government Orders noted in the margin.

G.O.No.13154-5/Med.96-20-13 of 10th January 1921. G.O.No.14095--6 Med. 46-20-15 of 20th January 1921. G.O.No.1783-4 Med.36-21--2 of 23rd September 1921. G.O.No.L.7545-6Med.36-21-35 of26-6-22 G.O.No.L.1735-6 Med.4-22-9 of 18-8-22

It will be hard if Mr. Baboo - Rao's services are terminated on the mere - ground that his entertainment was sanctioned temporarily.

Under the circumstances I request sanction to the continuance of Mr. Baboo Rao's services in the establishment of the Cauvery Power Scheme Dispensary under rules applicable to the staff of the Cauvery Power Scheme, as recommended by the Chief Electrical Engineer, i.e,,in temporary service

I have the honour to be,

S i r,

Your most obedient servant,

Ag.Senior Surgeon.

With reference to your No. Dis. B.701 of the 4th instant, forwarding for information, copy of letter No. L.7814-Med., dated 1st June 1923 from the Secretary to Government, Revenue Department, addressed to you, stating that Mr. Baboo Rao can only remain in service on a temporary basis, I have the honour to state that Mr. Baboo Rao has been doing, I understand, very good work ever since he joined his duty at Sivasamudram, and has gained the confidence of the people

As the Government have stated that Mr. Baboo Rao can only remain in service on a temporary basis, he has put in an application praying that he may be retained permanently at Bluff, attached to C. P. Scheme establishment proper under the rules applicable to the staff ofthis department as regards leave, etc. I strongly recommend that his prayer may be granted.

If this meets with your approval, sanction of Government to the above may kindly be obtained.
